Email required Address never made public. A confluence of factors over many years enabled Philadelphia—the city and the metropolitan area—to belatedly join other big cities and metro areas in the immigrant influx.

The collaboration will be aided by the Curtis Institute of Music in Philadelphia. You left me with love and respect to divide amongs the family and friends you left. Scholars believe that immigrants have come because of the availability of service jobs, expanded networks of expatriates, an increase in direct migration, and perhaps local efforts to attract the foreign-born—all combined with federal policies that have allowed them to enter the country. Gelb outlined some of their plans in a recent lunch at The New York Times with editors and writers.

A gift bestowed upon the city at birth. What a fascinating and well researched essay. He also designed a 9-foot-high black wooden box that functions as a closet.
