I grew up with these myths, they influenced my writing in huge ways, and when I start reading something that is based on them I am generally filled with a mix of excitement and fear. They must come together to fight on the same side when supernatural creatures attack the auction to steal the spear. Harrell has taken a topic some may consider "dry" reading and made it

current and understandable. For the most part I liked the book. This was the fun and exciting. What starts out as a lucid dream soon turns into a gruesome nightmare as an encounter from his past comes back to haunt. Zombies vs. Kindles, Nooks, Kobos, Apples. Have these deals expired? When do solitary witches start the book set in modern day or the older days?
