Lacking a common morphological vocabulary, classical and medieval scholars and travelers would attempt to describe unusual animals by comparing them point-for-point with familiar: the giraffe for example, was called cameleopard, and thought of as a creature half- camel and half- leopard. Ah, interesting.

Expectations In this classic Dickensian story, the life of an orphan boy named Pip is forever changed by his encounter with a convict, his acquaintance with the mysterious Miss Havisham, his great love for Estella and the unexpected help of an unknown benefactor. For a while the earliest Irish and Scottish texts show both words existing alongside each other and sometimes in combination but eventually the older term was replaced by the newer.
