Maurice is very ill. So, am I to take it that you would like me to read the letters and the diary, that you wish me to identify the letter writer, and— She looked from Clifton to his wife.

Clifton looked at his wife and smiled, as if to assure her that all would be well. As the characters in the series change, I will miss those leaving, one in particular. The story itself moves along without the choppiness that sometimes accompanies a mystery with a back story. He never returns, and his body, along with the rest of his cartography unit, has just been found now, twelve years after the end of the war.

She's certain that to succeed in a man's world, she will have to go it. The Mapping of Love and Death.
