Are they trying to main some level of continuity, consistency in the story or what? As a fan of DC comics, and by that I mean I used to buy and devour most floppies every month pre-digital era I am getting tired of the revolving door of talent. Rating details. Shareit And his caseload is never light Clark departs for the roof and he looks around at the Earth and begins to open his shirt, revealing the red and yellow House of El family crest, as he goes off to save the day as Superman. Unable to learn any science living as a nomad, he abandons his tribe to live in the city, where he can conduct his scientific research.
