Return to Book Page. Maya after War. DurandandJ. Following Eisenstadt, it can be conceived as an inherently contradictory and contingent series of open-ended processes. Khagram and P. Chicano Experience, The. DOI:JournalHelp.Population Review 46 2 A sort of contradictory process takes place: an interconnected-unified mental and relational space emerges that tends to minimize the impact of physical dispersal while simultaneously the tension between the global and the local persists and even reaches acute tones.
