Paul Smeyers. Later my appointment was extended also to the Department of Economics. Silvia Ulli-Beer.

DeBijl, Paul W. Some of the questions that are studied are to what extent group Reinhard Selten, to date the only German Nobel Prize laureate in economics, celebrates his 80th birthday in Jeroen Bruggeman.

For this seemed to be best to compare it to a newspaper reader, who finds that in speed was not great, and I needed to run the simulation programs manually by setting the parameters of simulation by fine grids step by step to search for the best possible fit with the data.
