So quick and easy. All Items. Last night was my first time to use this recipe and my husband declared these green beans his favorite.

We use it to cook dried beans, legumes, and other hard to cook items. No cold food.? This addiction to processed food is the result of decades of vision and hard work by the industry.

Clean bottles and nipples after every use. I never seemed to have the right ingredients to put together a meal everyone liked. Also do you see that great looking pan up there?
