Tuvalu Infrastructure Asset Management. Mitigation and adaptation actions also present opportunities for additional benefits that are often more immediate and localized, such as improving local air quality and economies through investments in infrastructure.

The Geneva office will be able to take a lead role in future trade negotiations. The three main sections of this note are as follows: i how to plan PFM reforms, including through the development of PFM roadmaps; ii how to prioritize limited PFM reform capacity to address the most pressing constraints to development; and iii how to access additional capacity to implement and sustain

required PFM reforms. Law enforcement in Kiribati is carried out by the Kiribati Police Service which is responsible for all law enforcement and paramilitary duties for the island nation.

Infant mortality rates in Kiribati due to water-borne diseases and lack of access to clean water were a major concern. To former European Trade Commissioner, Pascal Lamy, the establishment of the office was an important development not only for the Pacific island nations themselves, but also for the WTO, because it would enhance its deliberations.
