We can easily conclude from the whole of his work that what appears like the first and doubtless true for knowledge becomes the first and doubtless reality for the. His major writings reveal an intellectual development that traversed the life-world experiences articulated in the perspectives of phenomenology, historicism and existentialism. I say process, and not progress.

LifeasultimateMetaphysicalrealityThebeingofthebeingsassenseThebeingofthebeing  
Later ed. Thus, in the social world of

being-for-and-with-others, an individual directs himself away from the possibilities that may be viewed as being exclusively his own and attempts to broaden his understanding of himself by relating to the common world possibilities of. In our present philosophical posture and in the doctrine that is produced by it, we view and take into account a substantial portion of previous thought and themes relating to our discipline.
