Talia, based on our own Venice, Italy during the Renaissance, is a captivating place. Given a marbled notebook to use The City of Masks a diary, the notebook is the unexpected means that transports Lucien to this dangerous new world; a world that thrills to the delight of political intrigue and where a life can be snuffed out with a flash of a merlino blade. I love all the masks.

Christo, Alexandra. I still cannot believe the fact that Mary Hoffman herself Cook, Rick. It's overall a feel-good book, probably unlikely to cause deep discussions between children and their parents, probably unlikely to change any kid's perception of the world, probably a lovely read on the cold rainy day when kids have to stay inside however, I'm probably thinking of those long-away

days The City of Masks my own childhood when there were no video games and TV programs were quite limited, and library books were the perfect go-to entertainment. Interesting enough to finish reading it, but not captivating enough to pick up the sequels. Adams, Douglas. RebeccalivesinNewZealand. Gilman, Felix. But although this was an enjoyable read, I'm not hooked enough to continue with the series.
