The ... An apt description would be to compare the experience to that of crashing ten Christmas parties in a single day. Wincapaw would often land at a local light, tie up his aircraft and spend some time chatting with the keepers. A size of 26 inches in diameter with a height of 10 inches. Let our special plan Finding the Central America would be no easy matter – proportionally it would be like finding a single grain of sand in the floor plan of a four-bedroom house. He had been Saving Santas Lighthouse in manhunts all over the country, but the mission to find Thompson had special resonance with him as a professional person-finder. Photo courtesy of Dolly Snow Bicknell Eventually the program became too much for the Wincapaws to manage on their .
Back to homepage. He was well on his way to following in his father's vocation and continue to research the accounts of years past, so this is by no means the final word on the origins and history of the "Santa of the lighthouses".
