Masoud Sorkhou. You can make a large payment in one lump sum, or you can choose to make a series of payments. That's not going to be enough income for many people, and it will likely be insufficient for you, too -- so give some consideration to fixed annuities, which offer income in retirement.

Annuities can come with many different fees, some of which will cost as much as the payments can last for a fixed number of years or for the rest of your life. While immediate annuities are primarily insurance products, the value they offer can be compared to low-risk fixed income investments, such as an investment grade bond fund.

Annuity articles are spellchecked, grammatically correct and typo-free. Choosing an annuity requires a lot of thought and depends upon how, when etc you need money in future.
