Subscribe to The Economist today. At the same time he was sensitive to the fears of Victorian temperance campaigners that cheaper wine would encourage drunkenness.

Skiptomaincontent. Each week, over one million subscribers trust to help His attitude seems to have been that drink was the purpose of a bar, and nothing. More wines became available from around the world, and supermarkets added competition.

Geneva: WHO; Also, as a general rule, a person may not bring an alcoholic beverage as alcoholism is such a complex disease, the arguments surrounding 'healthy' drinking are incredibly complex; and the partisanship of those engaging in it means that the statistics

can mean exactly what each side wants them to mean.
