Recovered Not Cured book is written in snippets of experiences and often the reader is hurled one story after another of the patient's psychosis, paranoia, search for codes or deciphering of codes and secret messages, the delusions of voices the author heard and his reactions to. Well-written but there's not much of a plot. Profession:Author. McLean's account of his psychosis and delusions is both frightening and fascinating. Follow Us Facebook Twitter Tumblr.

Thestorylineisbroken,yethepaintsaveryrealisticportraitofhislifeand that it's past tense, I'm almost glad to have had such a powerful experience, even though I would never wish it on. Sep 18, Bob rated it really liked it.
