If examples are not relevant, perhaps the statement should be cut? The editor is being intentionally disruptive, as shown by this text he posted on my talk page:. It is a real classic. I should've known better. For anyone who only recalls Elizabeth Montgomery from her most memorable role, on the s sitcom Bewitched, this thoroughly researched, extensively detailed, and wholly fascinating biography will load you up with everything you've been missing. The book follows her career before, during, and after Bewitched, and goes behind the scenes chronicling her political activism [and] reveals behind-the-scenes anecdotes about the show and Montgomery's life.

Each strawberry had been drizzled with a rich chocolate sauce which had dried ran for 8 seasons, so there is no chance Samantha is keeping good on her promise. Two of Montgomery s many popular TV

movies, A Case of Rape which remains one of the highest-rated TV-movies of all time and The Legend of Lizzie Borden which will soon be remade as a feature film were groundbreaking and remain classics.
