Your audiobook is waiting... Most producers will purchase an option on your work instead of buying the product outright. The most common life insurance products in terms of the markets you can sell are... I started to think of different ways to do things. Learn how to enable JavaScript on your browser. Set up meetings with various producers in the industry and make your best pitch. Probably will have better odds getting a producer to bite if there's already a script, even if it's one that will need a lot of work. I wanted to find a way to express my customer need that:
