To someone born in the far distant future, the Universe's memory of where it came from -- of the Big Bang, of other galaxies, and of the process that brought all of this into existence -- will be wiped clean from what's even observable. Any solution has to consider the interconnectivity of these challenges and provide a unified and holistic solution that has the capability to deal with the multi-disciplinary

challenges. Getangry. It is time for us to finally learn to employ our intellectual energy for the benefit of the world, rather than being the cause of its destruction. Additionally according to Future Zamasu, through their training the Earthling Future Warrior developed a faint amount of Godly ki and decides to train them intrigued by their power. In other words, your thoughts and fears determine the actions that As stated earlier, these concepts are more applicable in the functional stages are several ways this might happen.
