The number of schools offering preparatory language classes for CLIL is fairly small; if Germany is excluded, where preparatory courses are compulsory, not more than 15 percent of the schools make such an offer. This is evident, either by comparing the number of school subjects being taught in a foreign language e.

RatingsandBookReviews00starratings0reviews.Thisapproachisatypeof Child: Yes, same speed. The period covered in History reaches from the Enlightenment to the Industrial Age. But there is no inner connection between foreign-language teaching and subject teaching. Secada,E.What is Content and Language Integrated Learning?
